**TEST RESULT POLICY**

Your blood work & glucose test results will take 14 days to process, and PAP smear results will take 21 days to process. Ultra Sound and Mammogram results will take 14 days to process. Once the results come in the doctor will review them and a letter will be sent to you. **The results will not be available in our office any sooner.**

Pregnant patients blood work, ultra sound and glucose results will be discussed by the doctor on your next visit when the results are normal. **In case of any negative or abnormality found in the test results the medical assistant will call you up after receiving the results to set up a follow up appointment.** No phone call will be made by the doctor to discuss the results.

Lab results from an annual check for Pap smear, mammogram, ultra sound and blood work will be reviewed by the doctor and a letter will be sent. **If any negative or abnormality is shown in the results you will be contacted to make an appointment to discuss the results with the doctor.** If the test results are normal for Pap smear, mammogram, ultra sound and blood work you will receive a letter. No phone call will be made by the doctor to discuss the results.

PAP smear test does not include HPV test for **Blue Cross Blue Shield State Health Benefit Plans or uninsured patients.** If you still decide to have the HPV test done with the Pap-Smear the lab will bill you approximately \$250 for the procedure.

It is the responsibility of the individual patient to contact us if they need referral for doing mammogram, ultra sound, blood work, genetic testing or see a specialist. It is not possible for staff to know requirements of each individual insurance plan.

If for any reason you do receive a bill from the lab for any tests, please contact our office before making any payments.
